Dear Valued Customer: Husqvarna has the No. 1 Automower on the market at affordable prices for home owners. Model mowing capabilities range from .39 acres to 1.25. If you are tired of spending your weekends mowing your grass, you may find one of these new models to your liking. We are displaying these in our lobby in the spring. Come see them operate. They are also shown on our website: magsmallengine.com. Click on **Husqvarna Automower Series** in the first paragraph.

We continue to carry a supply of Toro snow blowers. Get yours now while we have a good selection. It's that time to get your units winterized and ready for usage next season. We sell popular, high-end brands, and we have an excellent line of chainsaws. **The Cub Cadet products we sell are NOT available in the big box stores.**

We services **ALL MAKES** of outdoor power equipment, including Sears, Stihl, and Echo. Our sharpening services are reasonably priced and done quickly. **During winter,** we give **quick turnaround** on snow blower repairs. Also, we service all makes of ATV's & snowmobiles. **Our special on snowmobiles is still a low \$159.95 plus parts.**
